All it takes is four weeks, and you can start earning great wages and benefits, while traveling across the U.S. and transporting the goods that keep our nation running.

Start training now with 160 Driving Academy to earn your CDL and begin reaping these incredible benefits:

MAKE MONEY FAST

With starting salaries of nearly \$45,000, 160 Driving Academy graduates earn substantial wages and benefits immediately without undergoing years of training. The average salary for commercial truck drivers is \$54,000. Specialized and experienced truck drivers can make significantly more than \$100,000 a year.*

TRAVEL THE U.S.

Experience a career without boundaries. Truck drivers enjoy the adventure and freedom of traveling cross-country. It's a chance to discover new places and meet different people every day while delivering the essential goods that keep our nation going.

BE IN DEMAND IN A GROWING INDUSTRY

The trucking industry is one of the nation's largest employers, employing 3.2 million people (10 percent of the workforce), according to the American Trucking Associations.* And it's among the fastest growing and most secure industries. In fact, experts predict there will be more than 300,000 new jobs for CDL drivers in the next 2 years.* Training at 160 will help you stand out from the crowd and prepare you for one of these high demand jobs.

EARN RESPECT

Driving a commercial truck is a respectable, rewarding career with great potential. Today's trucking operators are essential to the U.S. economy – delivering 80 percent of all commerce in the nation.* Train with the best at 160 and qualify for the highest-paid positions with the top trucking companies.
